**GARAGE DOOR & OPERATOR
FITTED FOR**

£1,686
+ VAT

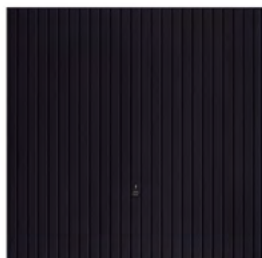

Strong, stylish, and effortlessly smart.

The **Carlton** and **Horizon** steel garage doors combine timeless design with everyday durability – and now, with our **brand new GaraPro** electric operator. It's a perfect pairing for smooth, reliable automation in one of the UK's favourite garage door ranges.

The Garador Carlton and Horizon just got an upgrade. Now available with the brand-new GaraPro electric operator, these trusted steel doors offer smooth, automated opening in 4 sizes and 3 bold colours: Jet Black, Traffic White, and Anthracite Grey.

Options:

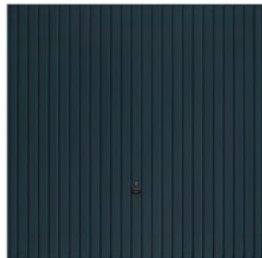

Carlton:

Jet Black (RAL 9005)

Traffic White (RAL 9016)

Anthracite Grey (RAL 7016)

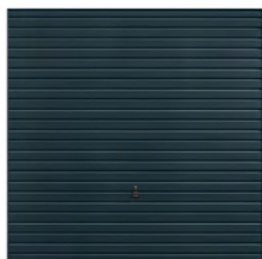

Horizon:

Jet Black (RAL 9005)

Traffic White (RAL 9016)

Anthracite Grey (RAL 7016)

Sizing:

Door Size: Width x Height (mm x mm)	Size Code:
2134 x 1981	7066
2134 x 2136	7070
2284 x 1981	7666
2284 x 2136	7670

GaraPro:

The newest model in the Garador range, the **GaraPro** offers powerful performance in a space-saving design. Comes with **one controller** for easy, reliable operation – perfect for pairing with doors like the Carlton.

Lifting Gear:

Framed Retractable Gear:

An up & over garage door with retractable lifting gear opens along horizontal tracks that run back into the garage.

Retractable Plus:

Retractable Plus lifting gear has specially designed lifting arms for narrow openings, which allow for maximum use of the clear passage.

Price: £88
